Follow directions for University square on campus. As you walk up the hill, you will have the East building to your left, West building to your right and facing City Airport. Walk towards the dock side. Following the signs for the Learning Resource Centre, you will turn right along the service road walking parallel to the runway so you have a black fronted building in front of you. Next to this is a white fronted building which is the new Knowledge Dock centre. As you walk in, Reception is on your left.
